your picture *perfect* prom look

Excited about prom? So, are we! Prom is your chance to dress up and be a star for the night, which is why our team of professional staff have created this prom beauty guide to help you look and feel your best on one of your most memorable nights. Let us help create your picture perfect prom look that will turn everyone's heads at the dance.

HAIRCARE

- Schedule a haircut or trim, and color appointment, with your Stylist now to ensure your tresses are perfect just in time for prom.
- Get into good grooming habits now; speak with your Stylist about the benefits of a regular hair conditioning treatment regimen.
- Choose a hairstyle that compliments your dress; for example a formal outfit may require an up-do, or if you have a more-relaxed style you may want to consider loose curls.
- If you wish, bring some pictures of your favorite hairstyles with you on the big day to show your Stylist.

SKINCARE

- Banish blemishes and improve your complexion by speaking with an Aesthetician about your specific skincare needs.
- If you will be wearing a strapless or sleeveless dress, consider a body treatment to ensure your skin is glowing.
- Smooth skin is in! Schedule an appointment to have your eyebrows shaped and other areas, like your legs, waxed.
- Need some color? Try a spray tan two days before your prom, to ensure the product has settled, and leaves you with a natural-looking glow.

NAILCARE

- Little details are often what makes you feel special and help complete your look; schedule an appointment for a professional manicure and pedicure before your big night.
- Choose a nail color that compliments your dress, or we recommend going with a classic spring shade or traditional French manicure.

MAKE-UP APPLICATION

- Speak with an experienced professional Artist about creating the perfect prom look, and leave with not only a picture perfect style but also expert advice on how to look polished all night long.
